2. Should any fault be found in the KC E-Commerce design written by us (opposed to the standard Accounts Software or other application), within a period of 6 months from the date of installation, we will correct such faults free of charge. Otherwise we reserve the right to charge the customer for the work involved in fault location and correction. Faults are defined as errors made by us in the programming of modifications as specified and agreed and do not include variations to agreed specifications.
3. The agreed fee will be billed to the reseller upon delivery of the KC E-Commerce subject to installation and on-site testing. Invoices will be payable 30 days from date of invoice unless alternative payment terms have been detailed on the Purchase Agreement.
4. We shall be excused from liability to the customer if performance of the contract is prevented or hindered (in particular if an estimated delivery date is delayed) by any cause whatsoever beyond our control and in particular by Act of God, War, Riot, Civil Commotion, Government act or omission, Fire, Flood, Subsidence, Sabotage, Accident Strike or lock out and we shall not be liable for any loss or damage resulting there-from suffered by the customer.

Neither Kamarin Computers Ltd nor anyone else who has been involved in the creation, production or delivery of modified KC E-Commerce shall be liable for any direct/indirect consequential or incidental damages (including damages for loss of business profits, business interruption, loss of business information and the like) arising out of the use or inability to use the KC E-Commerce even if we have been advised of the possibility of such damages.
6. The customer will own the magnetic media on which the KC E-Commerce is originally or subsequently recorded or fixed but Kamarin Computers Ltd will retain title in the KC E-Commerce recorded on the original disk(s) and all subsequent copies of the KC E-Commerce regardless of the form or media or on which the original and other copies may exist.
